31.0% Increased capacity since 1989
 25.6% Increased capacity since 2003

Increased Capacity since 1989 due to:

- 1999 Added 4 classrooms to TV
- 2001 Added 4 classrooms to SHS
- 2004 New Middle School (Strayer)
- 2005 New Elementary School (Pfaff)

Note: Prior to building Strayer Middle School and Pfaff Elementary School, the last new building built that added capacity in the school district was Milford Middle School in 1974.
