<b>Notes:</b>																			
Base data compiled by the Bucks County Intermediate Unit. Each district self-reports staffing information and determines categorization of positions. Reporting is based on the number of employees, not the number of full time equivalent positions. Districts with many part-time staff may have lower ratios as a result.																			
*Miscellaneous support* is a very high number of employees for some districts. Other districts may have included these positions in one of the specified categories, negatively affecting their ratio for that category.																			
Other Bucks County districts are: Bensalem, Bristol Boro, Bristol Township, Centennial, Central Bucks, Council Rock, Morrisville, Neshaminy, New Hope/Solebury, Palisades, Pennridge, and Pennsbury																			
** Adjusted staff includes all reported staff except food service and transportation.
