

Quakertown Elementary School

Murals

- Several Murals in the building are outdated and not representative of the current resident population.
- The school principal and QES PIE organization support removal and donation to the Richland Library.

Basement Clean up

- Several areas need to have old supplies and broken items removed.

Playground Issues

- Summer project - We plan to reduce the size of the mulch areas. They have grown beyond the defined play areas.
- A few pieces of equipment need to be removed. They are either too high or not used any longer.
- Two slides must be removed or replaced.
- We are pursuing a grant for new equipment with Sandy Fritch.
- The blacktop play areas need substantial crack repair.
