End-of-school-year brunch

Levy says 'thank you' to its bus drivers

The Levy School Bus Company held a brunch for its bus drivers Tuesday morning. Quakertown Community School District Superintendent Dr. Bill Harner (below, left) offered each person a hearty "Thank you for keeping our students safe," and then enjoyed a meal with them. Drivers will be back behind the wheel on Tuesday, Sept. 4, for the first day of school. Let's wish them a great summer!
