Middle School English Honors, 2014-2015

Grades 6, 7, and 8 grade students who are identified for the middle school English Honors classes will take an advanced approach to developing communication skills through critical reading, writing, speaking, and listening, as set forth in the Pennsylvania Core Standards. Students will read, respond, analyze, and interpret a variety of literature, including, but not limited to, works of fiction, nonfiction, drama, and poetry. Students will demonstrate their in-depth comprehension and analytical skills through a variety of written genres and oral presentations. Students will be challenged to demonstrate their learning in innovative ways through the use of technology and project-based assignments.

Curriculum

Rigorous PA Core Standards will be the basis for the curriculum, utilizing the Grades 6 & 7 Grade learning progressions for Grade 6, Grades 7 and 8 for Grade 7 and Grades 8 & 9 for Grade 8. The SpringBoard Pre-AP resources will be used as the foundation, as in all English classes. Students in honors classes will:

- Meet writing expectations based on PA Core standards learning progressions and pre-AP criteria.
- Develop strong college-readiness work habits such as independent study, long range assignment management, and increased reading and writing quality and quantity.
- Complete mandatory course and enrichment readings outside of class
- Explore the role of literature in the world outside of the classroom
- Learn and apply more sophisticated course-specific vocabulary
