The following items were discussed at the Safety Committee Meeting held on September 25, 2019:

- Reviewed the minutes from the July 9th meeting.
- Reviewed and discussed the Employee Accident Reports.
  - A monthly PM has been issued to address the possibility of clogged sinks causing a water leak on the floor.
- A building inspection of the QES was conducted.
  - There is a large gouge in the mat at the landing by the steps to go down to the locker room.
    - Rob will look into replacing the recessed floor mat.
  - An upstairs classroom has an extension cord running across the floor.
    - As a temporary fix, Joe will cover the cord with tape.
    - Maintenance will install a new outlet.
  - Heavy Gymnastic equipment stored in a Closet.
    - Rob will email Lisa Hoffman to ask if the equipment is still needed.
  - There are large cracks in the playground’s blacktop.
    - Rob will look into a solution for repair.
  - There are dead limbs in trees.
    - Maintenance will remove them.

The next meeting will be in October 2019 at the Sixth Grade Center. Debbie will send out notification of date and time.
