Purpose

The Board recognizes the value to school governance of public comment on educational issues and the importance of involving members of the public in Board meetings. The Board also recognizes its responsibility for proper governance of the district and the need to conduct its business in an orderly and efficient manner.[1]

Authority

In order to permit fair and orderly expression of such comment, the Board will provide a period for public participation and will formulate rules to govern such public participation in Board meetings.[2]

Delegation of Responsibility

The presiding officer at each public Board meeting will follow the rules of the Board for conduct of public meetings in accordance with this policy and Board Procedure 006.[3]

The presiding officer shall be guided by the following rules:

1. The agenda of Board meetings shall include opportunity for residents of the school district without prior arrangements to address the Board.

   The portion of the meeting during which participation of the public is invited shall be managed by the President. The President may limit comment.

2. Whenever issues identified by the participant are subject to remediation under policies and procedures of the Board, they shall be dealt with in accordance with these policies and procedures. The Board requires that public participants be residents or taxpayers of this district or anyone representing a group in the community or school district; any representative of a firm eligible to bid on materials or services solicited by the Board; any employee of the district; or pupil of the district.

3. Individuals wishing to have their name and/or topic on the agenda must register their intent with the Board Secretary ten (10) days in advance of the meeting, providing group affiliation, if appropriate. These individuals may be given up to ten (10) minutes to comment. All other individuals may be limited to five (5) minutes at the discretion of the Board President.

4. Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address, and group affiliation; if appropriate.
5. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard.

6. All statements shall be directed to the presiding officer; no participant may address or question Board members individually.

7. The presiding officer may:
   
a. Interrupt or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant.
   
b. Request any individual to leave the meeting when the person does not observe reasonable decorum.
   
c. Request the assistance of law enforcement officers to remove a disorderly person when his/her conduct interferes with the orderly progress of the meeting.
   
d. Call a recess or adjourn to another time when the lack of public decorum interferes with the orderly conduct of the meeting.
   
e. Waive these rules with the approval of the Board.

8. The presiding officer may respond directly to questions, refer questions to the appropriate person or have them answered in a timely manner.

9. Electronic recording devices and cameras other than those used as official recording devices will be permitted at meetings under rules provided by the Board.

10. No placards or banners will be permitted within the meeting rooms. Members of the community may distribute handouts to the audience within the meeting room by placing them on the table where printed agendas are provided. All copies to be provided by the community member.

11. The meeting agenda and all pertinent documents shall be distributed to the press and public at the meetings.
