		Pre-Pandemic

Notes:

Overall Enrollment is down -12 compared to same month prior year, and -285 compared to same month, pre-pandemic (January 2020)

Elementary Enrollments are up + 110 compared to same month prior year, and down - 47 compared to same month, pre-pandemic (January 2020)

The greatest increase is reflected in Kindergarten enrollments, likely cause & effect of adding FDK at 3 Elementary Schools in 2021-2022

Middle Level Enrollments are down -127 compared to same month prior year, and down -213 compared to same month, pre-pandemic (January 2020)

The greatest decrease is reflected in SGC and Gr 7 enrollments and is consistent with the downward trend in Gr 7 and under where the Average Grade Size has declined from approx 419 students per grade level in Grades 8-12, to an approx average of 339 per grade level K-Gr 7

QFlex enrollments have dropped from BOY of approximately 73 Students to 57 as of January EOM, with most students returning to the Live Learning Environment in QCSD
