## **Quakertown Community SD Financial Story**

In school district accounting, expenses are categorized in multiple ways. The pie chart below breaks down Operating Expenses (as defined on Notes page) for Fiscal Year 2019 by Object which shows the types of expenses.

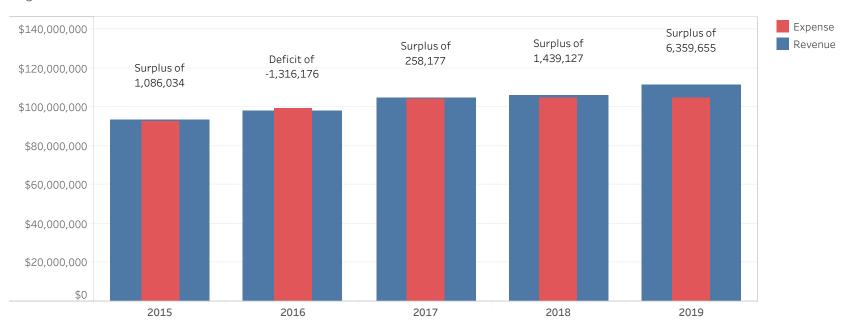

The ten functions below had the highest percentage increase in spending from 2018 to 2019 in the Operating Fund. The right-hand column shows the dollar amount of the increase over that same time period. Line-items without an amount for both 2018 and 2019 are not displayed.

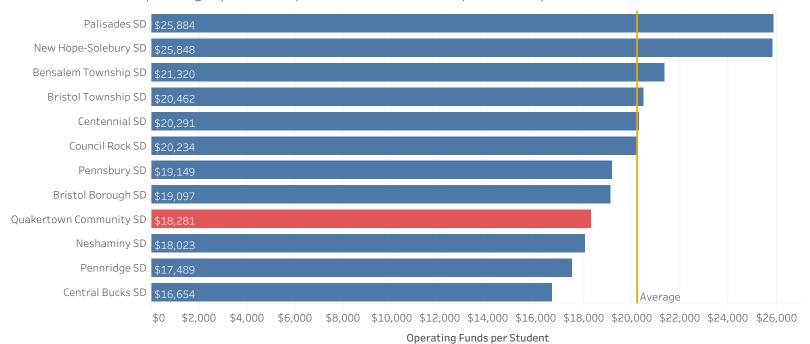

Keeping revenues and expenses aligned is a key to solid financial health. The graph below shows Operating Fund revenue (Blue) and expenses (Red) for the last five years. The label represents the difference between the two. A surplus of revenues over expenses will show as a positive value and a deficit of expenses which are greater than revenues will be a negative value.

Operating Expenditures per Student is a reflection of available resources and student needs. The chart below shows the district's operating expenditures per student for 2019 compared to its peers.
