Dear Parent/Guardian:

The Pennsylvania ACT 84 of 2015 requires that public and nonpublic schools receive electronic notice of the Children's Health Insurance Program (CHIP) on an annual basis no later than August 15. A flyer has been created and we are happy to share with every parent or guardian of every student enrolled in the Quakertown Community School District during the school year.

CHIP covers uninsured kids and teens up to age 19. With more than 139,000 uninsured children in Pennsylvania, this is great news for families!

CHIP provides quality, comprehensive health insurance for routine doctor visits, prescriptions, dental, eye care, eyeglasses, mental health and much more. CHIP covers uninsured kids who are not eligible for Medical Assistance. For most families, CHIP is free – for others, it is low cost.

The electronic notice of the [CHIP flyer](#) is available to ensure that all students, including those new to the Quakertown Community School District and incoming kindergarten classes, have information about the program.

The flyer and many more resources can be found on the CHIP website at www.CHIPcoversPAkids.com, under CHIP Resources.

Respectfully,

William E. Harner, Ph.D.
Superintendent of Schools
