## 2016 Keystone Exam Notes:

### Algebra 1:

- Significant improvement in percentage of 1<sup>st</sup> time testers achieving proficiency
- 79% of Freshman Algebra 1 students achieved proficiency
  - 48 Students (25%) scored Advanced
  - 103 Students (54%) scored Proficient
- 2015-16 was the 2<sup>nd</sup> year of the Algebra 1A & 1B program
- Replacement Math (e.g. Math 11) students did not re-test

### Biology:

- Modest decrease in percentage of 1<sup>st</sup> time testers achieving proficiency
- Note: 2015 First Time Testers included 9<sup>th</sup> Grade Honors and 10<sup>th</sup> Grade Honors due to 2015 implementation of Biology 9 Honors
  - Cohort-to-Cohort comparison shows a slight increase for 2016

### Literature

- Significant improvement in percentage of 1<sup>st</sup> time testers achieving proficiency
- Significant improvement in percentage of test takers achieving Advanced
  - 10% achieved Advanced in 2015
  - 15.6% achieved Advanced in 2016
