

QCSD FRESHMAN CENTER/SENIOR HIGH SCHOOL ASSESSMENT CALENDAR 2016-2017

The purpose of district-wide common assessments is not only to ensure the implementation of a common curriculum, but also to provide a mechanism for collecting common data regarding the achievement of all students on the essential learning in each grade level. District assessments comprise only one piece of the assessment picture. **As educators we assess students on a daily basis;** thus, the assessments listed on this sheet are not intended to represent a comprehensive list of **what** will be done in our high school classrooms. Assessment is not an end – results of assessment should “drive” instruction.
