947 Street Rd., Southampton

In partnership with the Bucks County Division of Human Services, United Way of Bucks County will be hosting dozens of **Community Conversations** at locations county-wide. We need you to join in these discussions.

You will have a direct impact on our community and help guide positive change for the future *just by sharing 1.5 hours of your time.*

These “kitchen table” conversations, led by experienced facilitators, give you a chance to share your experiences, concerns, and vision for our community. Light refreshments will be served.

Don't miss your chance to be heard. To join a conversation, please RSVP at www.volunteerbucks.org/events or by contacting Matt Uhler at 215.949.1660 ext. 119 or mattu@uwbucks.org.
