

Upper Perkiomen Valley TOPSoccer Program

The Upper Perkiomen TOPSoccer (The Outreach Program for Soccer) program is a division of the Valley Soccer Club. The goal of the Upper Perk TOPSoccer program is to foster an environment where young athletes with disabilities have the opportunity to learn and enjoy the game of soccer. The program is offered to boys and girls between the ages of 4 and 19 who have a mental or physical disability.

The Indoor season runs from the first Sunday in January (after New Year's) and ends in March. Dates will vary each calendar year. Location to be determined.

The Outdoor season runs from April through June and September through October at Camelot Park from 1:00-2:00pm.

Registration for either season remains open throughout the season and there is no charge to play.
