

Come fly with us!

A group of pilots at Quakertown Airport fly Young Eagle flights one Saturday a month, usually the second Saturday, from 9 a.m. to 11:30 a.m. (we try to be done by noon). There is no charge for these flights. The next flight is scheduled for October 8.

The flights are for kids 8-17 years old and are about 20 minutes long. A Young Eagles form must be filled out with a parent signature. Forms are available at Quakertown Airport and should be filled out the day of the flight.

To schedule one or two Young Eagles, send an email to johntina@comcast.net and let us know which date you're coming. For four or more kids, it would be best to coordinate with us ahead of time so we can fit them in. Sometimes we have groups of 15-50 scheduled and it does get a little crowded.

You can find more information at www.young eagles.org and Young Eagles Quakertown on facebook.
